CropCare® ATV sprayers are built for spraying lawns, meadows, turf, pastures, and food plots. This heavy-duty sprayer is easily secured with tie down straps to the rear rack on most All-Terrain Vehicles (ATVs).
**ATV Sprayers**

### Standard Features
- Powder coated frame
- TeeJet® adjustable spray handgun
- 14’ durable spray hose
- Boom breakaway protection
- In-tank filter
- Air inducted spray nozzles for improved drift control
- 25 gal tank
- 1 year limited warranty

### Controls
Pressure regulator, with a liquid filled pressure gauge, and wiring harness with an in-line switch is used to stop and start the pump.

### Pump
The sprayer is powered by a 3 gpm Shurflo® diaphragm pump that operates from the 12 V battery on the ATV.

### Boom
- 160” manual x-fold boom features: boom breakaway protection, non-drip TeeJet® nozzle bodies, TeeJet® air inducted flat fan spray nozzles.
- 20’ boomless nozzles are an economical alternative to a traditional boom and are excellent for rocky or rough terrain where accuracy is less critical.

### Accessory Option
2.5 gal CropCare® turf marker system reduces overlapping or missed areas and is perfect for use on lawns, turf, or pasture.
ATX SPRAYERS
ATX Sprayers
