

# FARM & LAWN SPRAYERS

***CROP CARE***®

CropCare® ATV sprayers are built for spraying lawns, meadows, turf, pastures, and food plots. This heavy duty sprayer can easily be secured with tie down straps (not included) to the rear rack on most all-terrain vehicles (ATV's).

## ***ATV SPRAYERS***

# ATV Sprayers

## Features

- Powder coated frame
- TeeJet® adjustable spray handgun
- 14' durable spray hose
- Boom breakaway protection
- In-tank filter
- Air induced spray nozzles for improved drift control
- 25 gal tank
- 1 year limited warranty

## Controls

Pressure regulator, with a liquid filled pressure gauge, and wiring harness with an in-line switch is used to stop and start the pump.

## Pump

The sprayer is powered by a 3 gpm Shurflo® diaphragm pump that operates from the 12 V battery on the ATV.

## Boom

- 160" manual x-fold boom features: boom breakaway protection, non-drip TeeJet® nozzle bodies, TeeJet® air induced flat fan spray nozzles.
- 20' boomless nozzles are an economical alternative to a traditional boom and are excellent for rocky or rough terrain where accuracy is less critical.

## Accessory Option

2.5 gal CropCare® turf marker system reduces overlapping or missed areas and is perfect for use on lawns, turf, or pasture.

## ***PTO POWERED 3PT SPRAYERS***

A yellow CropCare 3PT hitch mounted sprayer is shown in action, spraying a green lawn. The sprayer has a large yellow tank with the "CROPCARE" logo in green. It features a pump, hoses, and a spray bar with nozzles. The background shows a wooden fence and lush green trees under a blue sky with some clouds.

Whether you're spraying your large estate, food plot or golf course, CropCare® has a 3PT hitch mounted sprayer to meet your needs.

# PTO Powered 3PT Sprayers
